**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I used to have ATT and the service was awful and expensive. I now have Sonic with much cheaper internet service and phone. I am a senior on fixed income and Sonic has been great for me. Best customer service of any company I dealt with best phone and internet service and at a lower price. Im appalled at the awful and expensive service I got from ATT. The small providers are much better than the big ones and need to be competitive and in the market. Thank you from a senior who really likes Sonic and has saved me money.
